	Amount	Staff
Project Development:	0	0
Ongoing Operating:	0	0
One-Time Startup:	0	
Totals:	0	0

Additional Information / Prior Funding History:
None.

Project Description/Justification:
The bridge was built in 1950. The current through-truss bridge has substandard clearances and restricts traffic along this NHS route. The bridge's vertical clearance is limited at fifteen feet and does not meet current standards. There are cracks in the bridge deck over the floor beams, piles exposed at the abutments, and the overhead bracing has impact damage.
