Prior Funding History / Additional Information:

Project Description/Justification:
AST Law Enforcement Equipment: $500,000

AST has not received capital funding for equipment since FY2016. As a result, all capital funds used for law enforcement equipment replacement and off highway vehicle replacement are expended. Law enforcement equipment includes guns, ammunition, protective vests and PPE, PFDs, Tasers, duty belts, and all other gear and accessories necessary for Troopers to perform their job functions.
