Brief Summary and Statement of Need:

Amendment #13: This project will upgrade both levels of the 15 year old Hoonah swimming pool, located on the Hoonah High School campus, with a fire sprinkler system to protect the 10,800 square foot pool facility and approximately 5,800 square feet of interstitial space. This will bring it into compliance with fire regulations. In August 2000, the facility was closed to educational use by the Division of Fire Prevention.
