Brief Summary and Statement of Need:

Extend C Street to O'Malley Road. Construct 4-lanes, 2 lanes each direction separated by depressed median along with 10-foot separated pathway on west side and detached 8-foot sidewalk on east side. Project includes interchange at C Street and O'Malley Road and grade-separated rail crossing near 68th Avenue and C Street. Provides needed access to industrially-zoned land and improves traffic flow with alternative north/south travel corridor. Extension expected to carry over 20,000 vehicles per day.
