Brief Summary and Statement of Need:

The department has a pending sale of the R/V Pandalus and the proceeds are estimated between \$100.0 and \$200.0. In addition, the department previously sold the R/V Montague and the funds were appropriated back to the department for a new vessel. At that time, the funds were limited to purchase of a new replacement vessel and not for repair and maintenance. This CIP project will allow the remaining balance of \$12.7 from the prior CIP project to be used for repair and maintenance of existing vessels.
