**Brief Summary and Statement of Need:**

Construct grade separated access to Eielson Air Force Base at the new main entrance from the Richardson four-lane highway. This project is to be coordinated with the Air Force's relocation of the Eielson AFB main gate and will require moving the access to the north of its current location. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

**Project Description/Justification:**

This project is needed to address significant safety problems caused by backed up traffic at the security gate. This project will allow Richardson Highway traffic to enter and exit Eielson Air Force Base by crossing over the existing four lane Richardson Highway.

This project is ready to advertise as soon as expenditure authority is available.
