

Dalton Highway: Milepost 260 to 321 Culvert Replacement **FY2006 Request: \$8,000,000**
Reference No: 40324

AP/AL: Allocation **Project Type:** Construction
Category: Transportation
Location: Sagwon **Contact:** John MacKinnon
House District: Arctic (HD 40) **Contact Phone:** (907)465-6973
Estimated Project Dates: 07/01/2005 - 06/30/2010
Appropriation: Surface Transportation Program

Brief Summary and Statement of Need:

Replace existing culverts at various locations between MP 260 and 321 of the Dalton Highway; replace the culvert at MP 313.7 (Oksrukuyik Creek #2) with a bridge; raise the roadway grade between MP 311.7 and 313.3. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

None.

Project Description/Justification:

The culverts along this section of the highway are approximately twenty-eight years old. They have passed their useful life. Several are inhibiting fish passage. Some are jeopardizing the integrity of the roadway. This roadway is a vital link to the North Slope oil fields and will be critical in the development of the new gas line.
