

Marshall: Airport Access Road Bridge**FY2008 Request: \$1,700,000**
Reference No: AMD 40536**AP/AL:** Allocation
Category: Transportation
Location: Marshall
House District: Interior Villages (HD 6)
Estimated Project Dates: 07/01/2007 - 06/30/2012
Appropriation: Surface Transportation Program**Project Type:** Construction
Contact: John MacKinnon
Contact Phone: (907)465-6973**Brief Summary and Statement of Need:**

This is a new FY2008 Capital Budget Request. The cost estimate for this project has increased. Replace the existing culvert on the Marshall Airport Access Road with a bridge. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

FY2006 - \$1,100,000.

Project Description/Justification:

The existing bridge is inadequate and a permanent structure is needed. The existing bridge is a temporary structure put in place after the culvert on the airport access road failed during the airport reconstruction project. This road is the only access the village has to the airport for the transfer of passengers and freight.
