Department of Natural Resources Facilities Maintenance Component Budget Summary

Component: Facilities Maintenance

Contribution to Department's Mission

To provide a tracking system for DNR's estimated facility maintenance costs, as required by legislation enacted as SLA98/CH90 - AS 37.07.020(e).

Core Services

This component is set up to receive "authorization" from the DNR operating components that expend money on facility maintenance. Over the course of the fiscal year, individual components will track their expenditures for facility maintenance, and at year-end we may do an accounting adjustment to move the expenditures into this component. On an annual basis, this component would contain all facility maintenance costs incurred by DNR's operating divisions.
