4 AAC 09.050 provides that a governing body of a school district, in order to receive reimbursement from the Department of Education & Early Development, shall make available, at no cost to the student or the student's parent, a basic boarding program to all secondary school age children in the district who do not have daily access to a school of the appropriate grade level by being transported a reasonable distance. These funds are paid on a reimbursement basis in the local provider districts.

This budget component also supports residential boarding programs located in Bethel, Galena and Nenana.
