

UAA Health Sciences Building

FY2009 Request: \$46,000,000

Reference No: 43174

AP/AL: Appropriation

Project Type: Construction

Category: University

Location: Anchorage Areawide

Contact: Pat Pitney

House District: Anchorage Areawide (HD 17-32) **Contact Phone:** (907)450-8191

Estimated Project Dates: 07/01/2008 - 06/30/2013

Brief Summary and Statement of Need:

Leg Add-on. UAA Health Sciences Building facility would accommodate nursing, allied health, WWAMI, and possibly behavioral health programs. This facility is envisioned as an 80,000 gsf building to be located on the land parcel UAA received in the 2005 land trade with Providence Hospital. FY09 funding will provide \$40M for construction of the building and \$6M for infrastructure.

Additional Information / Prior Funding History:

Prior funding: School of Nursing Facility(SLA 2007,Chapter 30, \$500 thousand General Funds) (SLA 2005, Chapter 3, \$6 million University Receipt Authority). This project is the highest UAA priority and will move the university forward in addressing the health care needs of the Stated of Alaska. The facility will provide important clinical experiences for students studying health curricula.

Project Description/Justification:

Preliminary planning began in fall 2007 and should be completed by spring 2008. If all appropriations are received, this facility could be occupied as early as 2012. In keeping with the UA strategic Plan, the Health Sciences Building will help enable student success, quality of education, as well as faculty and staff strength through technology and facility development. The project will house the nursing, WWAMI and other selected health science programs that have collaboration potential with other U-Med partners. The Health Sciences Building will provide a facility to accommodate the Anchorage area with various healthcare training opportunities, classrooms, and labs that are not available anywhere else in Alaska. The Health Sciences Building will provide equipment and furnishing that are state of the art to accommodate the Alaska community in various health-care issues.
