

State of Alaska FFY08 Summary of Requests for Federal Appropriations

	State Dept	Federal Agency	Project Name	FFY08 Request (thousands)	Region Benefited	Description
Agriculture	DNR	USDA	Native Plant Evaluation	315.0	Statewide	Continues the evaluation and production of native species for agricultural use.
	DEC	USDA, EPA	Rural Alaska Sanitation Initiative	71,000.0	Rural Areas	Provides funding for rural sanitation and contains language that the Safe Drinking Water Act be amended to reduce the match requirement from 50% to 25%, making permanent what the Senator has included in past language on an annual basis.
	DNR	USDA: NRCS	US Cold Regions Botanical Research Network	315.0	Statewide	Support the acquisition, storage and evaluation of plant material native to north of 52 degrees.
	ADF&G	USDA	Tongass Forest Plan Adjustment and Wildlife Monitoring	250.0	Southeast	Facilitate ADF&G wildlife monitoring to support the TLMP process.
Commerce, Justice, Science	ADF&G	DOC: NOAA Fisheries	Alaska Fisheries Information Network (AKFIN)	3,210.0	Coast	Meets the increased needs under the Magnuson-Stevens Act for developing regional fishery coordinated databases.
	ADF&G	DOC: NOAA Fisheries	Alaska Invasive Species Program	1,500.0	Coast	Continues to comprehensively prevent, identify, and respond to the threat of invasive species on the Alaska environment.
	Admin	DOJ	Alaska Land Mobile Radio (ALMR)	14,117.0	Statewide	Construct additional sites in Southeast, along highways and provide interoperable communications with NOAA.
	DPS	DOJ/OJP	Alaska Public Safety Information Network Project (APSIN)	3,000.0	Statewide	To continue the upgrading of the criminal justice database that serves all criminal justice and related agencies. The detailed design phases are near completion.
	ADF&G	DOC: NOAA Fisheries	Arctic Yukon Kuskokwim-Sustainable Salmon Initiative (AYK-SSI)	5,000.0	Western	Provides funding for the State collaboration with the AYK Coalition to understand the salmon run failures in the AYK region and to better manage the resource in the future.
	ADF&G	DOC: NOAA Fisheries	Bering Sea Crab Research and Management	2,000.0	Coast	Researches Bering Sea crab productivity and sustainability as necessary to restore crab stocks.
	DPS	DOJ/OJJDP	Drug Abuse Resistance Education (DARE)	210.0	Statewide	To continue funding for the Drug Abuse Resistance Education (DARE) Coordinator to train law enforcement to teach DARE.
	ADF&G	DOC: NOAA Fisheries	Fairbanks Area Sportfish Hatchery	4,000.0	Southcentral, Interior	Provides for construction of a sport fish hatchery in Fairbanks to compensate for lower production from existing, aging facilities.
	ADF&G	DOC: NOAA Fisheries	Fishery Advisory Bodies	150.0	Statewide	Support private industry participation in two international fishery advisory groups.
	ADF&G	DOC: NOAA Fisheries	FMP Extended Jurisdiction, State of Alaska	1,550.0	Coast	Provides State funding for management of federal fisheries including Bering Sea and Aleutian Islands king crab and tanner crab, Weatherwane scallops, and groundfish.
	ADF&G	DOC: NOAA Fisheries	National Standard 4 and 8	500.0	Bering Sea, Aleutians, Gulf of Alaska	Provides resources to address the impacts on coastal communities due to management requirements associated with rationalization programs.
	ADF&G	DOC: NOAA Fisheries	Nearshore Fisheries Assessments	1,000.0	Coast	Develops dive fisheries as well as other new fisheries for shellfish and groundfish resources.

State of Alaska FFY08 Summary of Requests for Federal Appropriations

	State Dept	Federal Agency	Project Name	FFY08 Request (thousands)	Region Benefited	Description
Commerce, Justice, Science	ADF&G	DOC: NOAA Fisheries	Pacific Coastal Salmon Recovery	25,000.0	Southeast	Provides ongoing funding for programs that mitigate the impacts of the harvest reductions imposed by the Pacific Salmon Treaty on Alaskan fisheries and coastal communities.
	ADF&G	DOC: NOAA Fisheries	Pacific Salmon Treaty Implementation	8,000.0	Southeast	Funds Alaska, Washington, Oregon, and Northwest Treaty Indian Tribes in meeting federal obligations under the Pacific Salmon Treaty.
	ADF&G	DOC: NOAA Fisheries	Rockfish Research	1,000.0	Gulf of AK, Bering Sea, Aleutians	Researches rockfish fisheries due to the lack of good biological data on these fish stocks. Adult fish of this species are highly vulnerable to over fishing and localized depletion.
	DPS	DOJ/OJP	Rural Alcohol Interdiction	1,100.0	Statewide	To continue concentrated prevention of trafficking illegal alcohol & drugs. Troopers along with local law and community policing efforts have resulted in a 143% increase in alcohol seized.
	DPS	DOJ/COPS & Interior	Rural Law Enforcement and Equipment	2,000.0	Rural	To continue in-service training for VPSOs and VPOs. New and replacement equipment is provided as necessary. Rotate troopers into Bering Sea communities; funds would support start-up and construction costs for office/holding cell/apartment.
	ADF&G	DOC: NOAA Fisheries	Salmon Research Coordination	250.0	Coast	Assures that the State of Alaska can participate in federal programs and regulatory processes relating to the management and conservation of salmon stocks in the Columbia River basin.
	ADF&G	DOC: NOAA Fisheries	Seal and Steller Sea Lion Biological Research	3,200.0	Coast	Funds monitoring of ice seal populations in Native villages, research on the species delineation and genetics of harbor seals to understand the declines in population and provide for population restoration, and continues research into Steller Sea Lion population decline.
	ADF&G	DOC: NOAA Fisheries	US/Canada Yukon River Negotiation Studies	1,200.0	Western	Allows State of Alaska to monitor Yukon River salmon and provide information necessary to support negotiations between the US and Canada under Yukon River Salmon Agreement.
	ADF&G	DOC: NOAA Fisheries	Western Alaska Salmon Stock Identification Program	2,000.0	Western	Gather genetic information on the migration and harvest of Western Alaska salmon in order to prevent disputes in the Western Alaska salmon fishery.
Defense	DOTPF	DOD	Adak Airport Safety Improvements	4,500.0	Adak	To complete necessary airport upgrading after the transfer of the Naval air station to the state.
	DMVA	National Guard	Alaska Military Youth Academy Facilities Refurbishment	2,200.0	Statewide	Repair and refurbish existing Alaska Youth Academy facilities.
	DEC	DOD	Kogru Eroding Landfill Cleanup	14,000.0	Beaufort Sea	Kogru was constructed and used by the Air Force during the Cold War. A landfill approximately 2.5 acres in size is eroding and must be remediated.
	DNR	Corps of Engineers	Restoration of Abandoned Mine Sites	200.0	Statewide	Would allow the restoration of non-coal mines in addition to the coal mine restoration work by DOI. NEED MATCH/NEED SHORTER LANGUAGE.
	DNR	DOD	Statewide Digital Mapping Initiative	4,000.0	Statewide	Develop a digital map for the State of Alaska.
Interior	DNR	DOI	Alaska Minerals Resources Assessment Program	8,300.0	Statewide	Assess Alaska's mineral resources as required by ANILCA.
	ADF&G	DOI	Declining Species in Alaska and the Endangered Species Act	400.0	Statewide	Allows state participation in federal Endangered Species Act reviews, declining species studies, and field studies to determine mitigation measures for declining species.

State of Alaska FFY08 Summary of Requests for Federal Appropriations

	State Dept	Federal Agency	Project Name	FFY08 Request (thousands)	Region Benefited	Description
	DEC	EPA	Environmental Monitoring and Assessment	5,000.0	Coast	Continue DEC's surveying of Northwest Alaska for EPA's Environmental Monitoring and Assessment Program.
interior	DEC	EPA	Seafood Testing & Biomonitoring Project	1,500.0	Coast	Funds research on mercury and heavy metal contamination in seafood as well as its affects on human health.
	DEC	DOI: USFWS	Seafood Testing & Biomonitoring Project	1,500.0	Statewide	This project analyzes potential impacts from pollutants on Alaska wild fish resources and the subsequent impacts on human health.

State of Alaska FFY08 Summary of Requests for Federal Appropriations

	State Dept	Federal Agency	Project Name	FFY08 Request (thousands)	Region Benefited	Description
	ADF&G	DOI: USFWS	Yukon River Treaty Implementation & Research	4,000.0	Western	Funds State of Alaska for implementation of federal obligations under the Yukon River Treaty.
Labor, Health and Human Services	DLWD	DOL	Alaska Arctic Energy Construction Training Project	2,000.0	Statewide	The project will train for the construction of a natural gas pipeline as well as associated oil industry trades.
	DEED	DOEd	Alaska Community Preschool Project (ACPP)	2,000.0	Statewide	The project develops and implements model preschools emphasizing school readiness.
	DEED	DOEd	Alaska Statewide Mentor Project	5,000.0	Statewide	Continued funding to address the challenges of NCLB as is relates to teacher quality and student achievement. It provides trained, full-release mentors for beginning teachers and principals.
	DHSS	DHHS	Alaska's Suicide Prevention Training and Research Project	250.0	Statewide	The program trains first responders to suicide, suicidal thoughts and intentions in partnership with others agencies.
	DLWD	DOL	Alaska Vocational Technical Center's (AVTEC) Maritime Safety Training Facility Project	5,000.0	Statewide	The project will train maritime professionals in fire suppression and will support the new facility to provide this training.
	DHSS	Denali Commission	Bring the Kids Home	9,600.0	Statewide	Residential treatment facilities are being developed and expanded to improve care for high-needs children currently treated in out-of-state facilities. These children will be brought home to their communities and close to family for care and service delivery.
	DHSS	DHHS	Child Advocacy Center	1,000.0	Statewide	These centers provide coordinated treatment through multidisciplinary teams for child victims of sexual and physical abuse.
	DHSS	DHHS/CDC	Prevention, Controlling and Reducing the Consequences of Obesity in Alaska	500.0	Statewide	Continued support for prevention and reduction of obesity as well as dietician training and a new school health consultant. We need to coordinate with the University.
	DHSS	DHHS	Telebehavioral Health Project	500.0	Rural	This clinic uses high bandwidth connectivity and videoconferencing to provide necessary diagnosis and care to rural clinics. This model is being expanded from SE.
	DHSS	DHHS	Tuberculosis Control In Alaska	500.0	Statewide	Funding will provide diagnosis, treatment and prevention. Work to be conducted in both rural and urban areas.
State, Foreign Ops	ADF&G	DOS	Pacific Salmon Commission	8,000.0	Southeast	Funds the US half of the bilateral Pacific Salmon Commission, created by the Pacific Salmon Treaty, to manage Fraser River salmon stocks.

State of Alaska FFY08 Summary of Requests for Federal Appropriations

	State Dept	Federal Agency	Project Name	FFY08 Request (thousands)	Region Benefited	Description
Transportation	DOTPF	DOT	Alaska Marine Highway Terminal Upgrades	5,000.0	Southeast, Southcentral	Upgrade cathodic protection, rejuvenate dock structures and upgrade transfer bridges at existing ferry terminals.
	DEC	DOT	Aleutian Islands Vessel Risk Assessment	1,800.0	Aleutian Islands	Assess the volume of shipping transiting the Aleutian Islands and the potential for environmental damage.
	DOTPF	DOT	Gustavus Dock Replacement	5,000.0	Gustavus	Replace the existing dock with a multi-modal roll-on/roll-off marine transfer facility capable of mooring large freighters.
	DOTPF	DOT	Rural Airport Lighting	7,420.0	Rural	Provide runway lighting (MIRL's) at eight airports in rural communities and Precision Approach Path Indicators (PAPI's)/Runway End Identifier Lights (REIL's) for five airports.
	DOTPF	DOT	Seward Highway Safety Improvements	5,000.0	Southcentral	Address safety issues on the Seward Highway in order to bring the road up to 55 MPH standards.
