

UA Energy Projects

FY2010 Request: \$5,000,000
Reference No: AMD 48258

AP/AL: Appropriation

Project Type: Energy

Category: University

Location: Fairbanks Areawide

Contact: Michelle Rizk

House District: Fairbanks Areawide (HD 7-11)

Contact Phone: (907)450-8180

Estimated Project Dates: 07/01/2009 - 06/30/2014

Brief Summary and Statement of Need:

This is a new FY10 Capital Budget request for Alternative Energy and Energy Efficiency Projects. This request is an estimation of potential federal receipt authority needed for FY10 energy projects at the main and community campuses. Examples of projects include rural power projects, Alaskan coal, and a biomass energy program.

Additional Information / Prior Funding History:

No prior funding has been received for this project.

Project Description/Justification:

UA is actively seeking funding opportunities through the Department of Energy and National Science Foundation over the course of the next 2-3 years and \$5 million is anticipated to be leveraged. With UA's emphasis on alternative energy and energy efficiency options ranging from small villages to large scale regional and state projects such as hydro and geothermal, there are opportunities to seek federal support aligned to the state focused goals.
