# Anchorage - Fairview Elementary School Book and Technology Grant

**State Funding Requested: \$30,000****House District: 23 / L**

One-Time Need

**Brief Project Description:**

Purchase document cameras and projectors to support interactive learning and meet the needs of diverse learners.

**Funding Plan:****Total Cost of Project: \$30,000***There is no other funding needed***Detailed Project Description and Justification:**

This project will allow the purchase of document cameras and projectors for all classrooms at Fairview Elementary. Integration of this technology will promote student interaction and participation in the learning process, allow seamless transitions between subject matter, reduce the need for excessive copying, and allow multiple types of current media to be used during instruction. Fairview's enrollment continues to grow and is currently over 500 students. Integration of technology into all curricula content areas allows the staff at Fairview to provide the best education possible to all these students.

**Project Timeline:**

FY '11 school year.

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

Anchorage School District
