

**Glenn Highway Lighting - Eklutna to Palmer Hay Flats****FY2011 Request: \$8,000,000****Reference No: 49690****AP/AL:** Allocation**Project Type:** Life / Health / Safety**Category:** Transportation**Location:** Mat-Su Areawide**Contact:** Frank Richards**House District:** Matsu Areawide (HD 13-16)**Contact Phone:** (907)465-3900**Estimated Project Dates:** 07/01/2010 - 06/30/2015**Appropriation:** Surface Transportation Program**Brief Summary and Statement of Need:**

This is a new FY11 capital request to install continuous lighting along the Glenn Highway corridor from Eklutna approximately four miles to the Palmer Hay Flats. Lighting is proposed to be a combination of low mount electroliers with high mast lighting at interchanges. This project contributes to the Department's Mission by reducing the potential for injuries, fatalities and property damage and by improving the mobility of people and goods.

**Additional Information / Prior Funding History:**

FY2011 request - \$12,000,000 and FY2009 - \$12,000,000 ARRA for South Birchwood Loop to Eklutna. This request is for Eklutna to Palmer Hay Flats.

**Project Description/Justification:**

This project continues the efforts to extend lighting on the Glenn Highway and will greatly increase the safety for the traveling public.

Electrical costs and minor maintenance for this project when completed will be approximately \$55,000 annually.
