

Sitka: Halibut Point Road Resurfacing, Drainage Improvements and Bridge Replacement

FY2011 Request: \$14,000,000
Reference No: 49150

AP/AL: Allocation

Project Type: Construction

Category: Transportation

Location: Sitka

Contact: Frank Richards

House District: Sitka/Wrangell/Petersburg (HD 2)

Contact Phone: (907)465-3900

Estimated Project Dates: 07/01/2010 - 06/30/2015

Appropriation: Surface Transportation Program

Brief Summary and Statement of Need:

Pavement rehabilitation from Sawmill Creek Road to the end of the pavement just beyond the ferry terminal. Two bridges (#0327 and #0328) will be replaced. Culverts and storm drain will be replaced as required. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

None.

Project Description/Justification:

Reclaim and replace pavement along Halibut Point Road, the transportation link between the Alaska Marine Highway terminal and downtown Sitka. The road also provides access from downtown Sitka to recreation facilities at the State of Alaska Starrigavan boat ramp, the USFS Starrigavan campground, and the Tony Hrebar shooting range in Starrigavan Valley. The Alaska State Troopers operate their own shooting range alongside the Tony Hrebar range in Starrigavan Valley. Halibut Point Road sees a significant portion of Sitka's commercial/industrial traffic from the two barge landings situated near the Alaska Marine Highway terminal, the private rock quarry in the 4000 block, and from the City and Borough's Granite Creek Industrial Site.
