Project Description/Justification:

This is a multi-year project. FY2010 funding was \$5,000,000, FY2011 funding was \$8,000,000. Funding requested is for the portion not authorized in FY2010 and FY2011 including a 4.5% labor escalation as documented by Alaska General Contractors (AGC) for one year of construction inflation. Material prices appear to be holding steady. This project is a remodel to all but the 3rd floor of the Boney Courthouse and a minor remodel in the Nesbett Courthouse to accommodate additional judges, provide safe prisoner transport to additional courtrooms in the Boney Courthouse, and provide spaces that are more conducive to efficient customer service for the public.
