Funding would allow staff to increase programming specifically directed at teens, keeping them engaged in positive programming in a safe environment.

With the known threat of gang activity in the community, teens need a safe place to meet, socialize, and engage in positive activities.

Technology would be used to:

- Assist in career planning, college search, assisting with applications for either college or for jobs, resume writing, etc.
- For educational support – homework and test preparation
- Offer programming specific to teen recreational interests such as music mixing, animation, etc.

Room upgrades would include a space designed to attract and engage teens with new furnishings, music, a television and
