Matanuska-Susitna Borough - School District Technology Upgrade

State Funding Requested: \$100,000
One-Time Need**House District:** Mat-Su Areawide (13-16)**Brief Project Description:**

Upgrade current application servers to support increased demand for student centered instructional applications.

Funding Plan:

Total Project Cost:	\$200,000
Funding Already Secured:	(\$0)
FY2012 State Funding Request:	(\$100,000)
Project Deficit:	\$100,000

Detailed Project Description and Justification:

The implementation of web based curriculum has increased the demand for faster, more efficient servers for storage of student created files. Our current servers are over four years old and are insufficient to meet this demand. This project will result in a faster response time allowing for improved instruction and will provide more secure storage of student files. This project will move the District towards enhanced instructional support through technology. Students will directly benefit by increase access and speed.
