Brief Summary and Statement of Need:

Yakutat Elementary Kitchen Renovation Completion is #14 on the December 17, 2010 CIP Major Maintenance list. The 20,381 square foot facility was built in 1979 with additions built in 1985 and 1996. Because the kitchen dates from the original 1979 construction, many of the kitchen's building systems and equipment have reached the end of their serviceable life. This request completes the renovation project and provides reimbursement of costs to the school district.
