**Project Description/Justification:**

This request is for deferred maintenance projects for Pioneer Homes statewide, including immediate and critical renewal, repair, replacement and equipment needs. The Department is responsible for operating and maintaining the six Pioneer Homes throughout the state. Locations are Ketchikan, Sitka, Juneau, Anchorage, Palmer, and Fairbanks. The homes all operate on a 24-hour basis, have a cumulative square footage of about 440,000 square feet, and have a combined replacement value of \$310,300,000. The Department has deferred maintenance needs resulting

from heavy usage by staff and residents. Funds will address these needs and maintain the State's investment in these homes. The homes have a combined capacity of over 600 residents.

Each building deficiency for each facility is rated in terms of urgency, fire life safety, security, building integrity, and mission efficiency. Together, these criteria are used to prioritize each project. Priorities given are generally followed, but may be changed due to higher emerging needs that may arise throughout the year.

Department's Mission: To promote and protect the health and well being of Alaskans. This project will increase the useful life of the Alaska Pioneer Homes. These homes house Alaska's seniors. Maintaining these homes is critical to carrying out the Department's mission.

**End Result:**

Alaskans live free from the negative impacts of alcohol and drug use. The physical health of Alaskans is optimized. The mental health of Alaskans is optimized. Alaskans have access to health care. Alaskans receive the long-term care they need. Vulnerable Alaskans have a safe living environment.
