Re: FY 2011 Supplemental Amendments HB 137/SB 76

Dear Finance Committee Co-Chairs:

Enclosed, please find proposed amendments to the FY 2011 supplemental budget that have come to our attention since the original legislation was submitted to you on February 1, 2011.

The supplemental amendments include new requests for the Department of Education and Early Development legal services and the Department of Transportation and Public Facilities Whittier Tunnel access. There is also a request for a retroactive effective date for the supplemental appropriation for the Alaska Public Safety Information Network project.

The supplemental amendments also include technical changes to prior appropriation language, lapse date extensions for the instate gas line project and natural gas commercialization, and revisions to the Department of Law judgments and settlements based on additional cases awarded since the original bill was submitted.

Thank you for your consideration of these supplemental budget amendments.

Sincerely,

Karen J. Rehfeld
Director
