The Honorable Sean Parnell
State Capitol
Juneau, AK 99801

Dear Governor Parnell:

I am writing to show my full support of the funds for interactive display technology that the Legislature granted to my school, Rogers Park Elementary, in the 2013 Capital Budget. The money will be used to purchase interactive projectors that ensure students of all academic ability and learning style will have the opportunity to access the curriculum that best serves the need of the child. Five percent of the appropriation will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

I thank you for your time and efforts in this project to ensure that every Alaskan child receives the best and most effective academic opportunities available.
Please do not veto this project.

Thank you,
