Anchorage Park Foundation - Jewel Lake Park Fishing Dock ADA Access

State Funding Requested: \$60,000**House District: Anchorage Areawide (11-27)**

One-Time Need

Brief Project Description:

Rehabilitate Jewel Lake Park Dock to make it safer and ADA accessible. Jewel Lake is stocked with Rainbow Trout.

Funding Plan:

Total Project Cost:	\$60,000
Funding Already Secured:	(\$0)
FY2014 State Funding Request:	(\$60,000)
Project Deficit:	\$0

Detailed Project Description and Justification:

Anchorage's Parks are a diverse, wonderful system of green spaces that enrich the urban experiences of most of its residents. However, most of the parks in Anchorage are not easily accessible to residents with compromised abilities. Included amongst those is the dock at Jewel Lake in Jewel Lake Park.

In the summer of 2014, the Anchorage Park Foundation and Parks & Recreation Department plan to install a fully-accessible dock on Jewel Lake in Jewel Lake Park. This dock will feature an elevated bench and bars, allowing a resident in a wheelchair to slide her or himself from the dock into a watercraft. This dock will allow people of all abilities to enjoy Jewel Lake more easily. Use of this dock would not be limited to residents with compromised abilities; all residents will be permitted to use it.

We invite the Alaska State Legislature to join us in investing in the future of Jewel Lake Park and the surrounding communities. Rainbow Trout fishermen will thank us!
