Tetlin IRA Council - Village Roads Drainage and Improvements

State Funding Requested: \$200,000**House District: 39 / T**

Future Funding May Be Requested

Brief Project Description:

Tetlin's low lying lands creates poor roads which require much needed improvements.

Funding Plan:

Total Project Cost:	\$400,000
Funding Already Secured:	(\$200,000)
FY2014 State Funding Request:	<u>(\$200,000)</u>
Project Deficit:	\$0

*Funding Details:**Tetlin has \$200,000 of BIA Transportation Programs funds which it can match with this \$200,000 FY2014 CIP request.***Detailed Project Description and Justification:**

Tetlin Village has many areas of standing water along the village's roads due to inadequate drainage systems. These standing water areas are contributing to the deterioration of the roads and also providing habitat for mosquitoes. In addition, Tetlin experiences high levels of dust from the road traffic. To remedy this problems, Tetlin has produced the "Tetlin Drainage and Roads Improvements Plan" which includes 15 third-party professional engineers' recommendations for drainage and roads improvements and cost estimates to carry-out this recommendations.

As a result of the Tetlin Drainage and Road Improvements Plan, the Village have agreed to contribute a total of \$200,000 of federal BIA Roads funds. The total budget for the 15 recommendations in the plan \$400,000

This CIP funding request of \$200,000 along with the identified project match contribution of \$200,000 will improve the livability at Tetlin for both vehicle drivers and pedestrians. This Project will also ensure extended longevity of the roads and minimize life-cycle costs.
