Anchorage - Autumn Park Estates/Spring Acres Subdivision Repairs and Drainage

State Funding Requested: \$225,000**House District: Anchorage Areawide (11-27)**

Future Funding May Be Requested

Brief Project Description:

This project will construct a drainage system from Peck Street south to Kluane Avenue to relieve flooding near Bolin St, Yellow Leaf Cir and E 4th Ave.

Funding Plan:

Total Project Cost:	\$225,000
Funding Already Secured:	(\$0)
FY2014 State Funding Request:	(\$225,000)
Project Deficit:	\$0

Detailed Project Description and Justification:

The proposed plan is to construct a combination drainage swale and underground perforated drainage system from Peck St. boarding Joint Base Elmendorf-Fort Richardson property approximately 1550 Ft. in length South to Kluane Ave. The purpose of this drainage system is to intercept the significant amounts of runoff from the Chugach Mountains which contribute to the extremely high levels of ground water found in the area. Residences bordering Bolin St., Yellow Leaf Cr. and E 4th Ave all experience significant problems related to the high ground water levels.

Obtaining drainage easements in an existing 33 Ft section line easement boarding private residences will be required. In addition the acquisition of a drainage easement from the Anchorage School District will be necessary to complete this project.

Estimated construction costs are \$225,000, the work will be completed through force account by the Municipality of Anchorage Street Maintenance Section.

Project Timeline:

design and constuction expenditures are anticipated to occur in 2013 and 2014.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Municipality of Anchorage

Grant Recipient Contact Information:

Name:	Gary Jones
Title:	Capital Program Coordinator
Address:	PO Box 196650 Anchorage, Alaska 99519
