Total Funding to complete project \$37,000.00

Primary House District: 23 **Secondary House District(s):** 18

Primary Senate District: L **Secondary Senate District(s):** I

Project Description

Principal's Priority 2

Willow Crest would like to purchase a new presentation and sound system for the MPR to allow for movies, slide shows, and musical performances to take place. Currently we only have speakers and a microphone. Specifically we would like new speakers, PA system, and a mounted projector.

Benefits if Project is Funded

Willow Crest currently has just a set of speakers and a microphone that do not adequately provide for a quality presentation. A quality sound and presentation system would improve communication with our students, families, and community as well as improve the quality of all of our assemblies, performances, family nights, and other school events. The improved quality of the presentations would increase engagement with our students, families, and community. The sound system in our MPR right now is not adequate for what we would like to use it for. The sound is not clear or always audible.

Impacts if Project is not Funded

of Students impacted by project 390

Project Start Year 2014

Project Finish Year 2015

Project has matching funds are available No

Project has prior state funding available No

Project has federal funding available No

Project has had a public review process Yes
