3	28	1	new	new	Health and Social Services	Appropriation		Health Information Exchange Providers Incentive Program New Centers for Medicare and Medicaid Services (CMS) Tribal claiming policy requires Tribal and non-tribal providers to ensure that services provided by non-tribal providers are tracked and managed by the Tribal provider. The most effective method of tracking services is through a Health Information Exchange (HIE), however not all providers are currently capable of HIE reporting. This project allows the State to enable providers to link to the HIE, removing a key barrier to utilization of the new CMS Tribal claiming policy.	480.0	0.0	0.0	3,600.0	1004 General Fund 480.0 1002 Federal 3,600.0	4,080.0
