Project Description/Justification:

This project will construct a 15,877 square foot addition to the existing 4,515 square foot high school. The high school, which was built in 1979, will be completely renovated. The existing 64-year-old BIA elementary will receive abatement of hazardous materials and be surplus. The school is currently operating at 174 percent capacity and is expected to reach 280 percent capacity by FY2007. Proposed cost: \$9,805,629.
