Project Description/Justification:

This project will construct a 16,990 square foot addition. The addition will be comprised of seven classrooms; a multi-purpose addition to include a cafeteria, music room with stage, hallway, reception room, mechanical room, and generator room; restrooms; and storage areas to the 18-year-old, 19,635 square foot school. The project also includes reroofing and remodeling of the original structure. Additional space is required to accommodate a continued increase in enrollment. Proposed cost: \$7,145,669.
