Component Mission

- 1) To share with affected local governments revenues earned from activities within the Tongass and Chugach National Forests to be used for schools and roads.
- 2) To compensate cities in the unorganized borough for lost revenues due to the location of federal lands within their respective areas.

Component Services Provided

1. Direct financial assistance through the federal National Forest Receipts and Payment in Lieu of Taxes Programs.
2. Direct vendor payments on behalf of local governments to entities such as the Alaska Municipal League/Joint Insurance Association Inc. for insurance premiums and Yukon Fuel for bulk fuel purchases.

Component Goals and Strategies

To distribute both state and federal financial assistance in an accurate, fair, and timely manner.

Key Component Issues for FY2001 – 2002

Congress has enacted legislation (HR 2389) which will stabilize future forest receipts funding. Starting in FY 02 and continuing over the next six years, the State will receive an annual payment based on the average of the three highest payment years within FFY 86 -99. This will have a positive effect on the communities in Southeast Alaska which have been hit hard by the substantial decrease in timber harvesting within the Tongass National Forest. Payments received by eligible entities under the revised program must be used for schools, roads, and special forest related projects.

Major Component Accomplishments for FY2000

Distributed Community Financial Assistance payments in an accurate, fair and timely manner.

Proposed Changes in Levels of Service for FY2002

Congress has enacted legislation (HR 2389) which will increase and stabilize future national forest receipt funding. Starting in FY 02 and continuing for six years, the Department will receive an annual payment based on the average of the three highest payment years between FFY 86 - 99. It is estimated that the annual payment to the state will be between approximately \$9 to 10 million. At this time it appears the federal appropriation for the Payment in Lieu of Taxes Program will increase from the \$134 million funding level for FY 01 to \$200 million for FY 02. The division estimates that the Department's pass-through share for cities in the Unorganized Borough will increase in FY 02 to between approximately \$5 to 6 million.
