Component Services Provided

Boarding Home Grants are program funds paid to school districts serving high school pupils who do not have access to a high school program where they reside. Boarding care costs and transportation to and from the boarding home are paid for by the Boarding Home Grants. 4 AAC 09.050 provides that a governing body of a school district, in order to receive reimbursement from the Department of Education & Early Development, shall make available, at no cost to the student or the student's parent, a basic boarding program to all secondary school age children in the district who do not have daily access to a school of the appropriate grade level by being transported a reasonable distance. These funds are paid on a reimbursement basis in the local provider districts.

Component Goals and Strategies

- * Provide an educational opportunity for secondary age students who reside in an area without daily access to a grade level appropriate school.
- * Reimburse school districts for eligible costs of boarding home students.
- * Ensure that all eligible students are aware of the program.
