**Appropriation:** Design, Construction, and Maintenance of Schools

**Brief Summary and Statement of Need:**

In recent years an observable crack has been developing through the gym floor due to differential foundation settlement. The scope of work will involve dismantling the floor in the general area of the crack and completing repair to the foundation and floor surface. The school was built in 1973 and 1985 and covers 29,853 square feet. Proposed cost: \$179,715.
