Estimated Project Dates: 11/05/2002 - 06/30/2007

Appropriation: Design, Construction, and Maintenance of Schools

Brief Summary and Statement of Need:

This project will involve total renovation of the interior space of the high school, the elementary school built in 1963 will be demolished, and new space will be added to ensure that shared use by all grade levels is improved. The school site is extremely cluttered and the educational program suffers without adequate facility organization. The school currently operates at 294 percent capacity and is expected to reach 354 percent by FY2009. Proposed cost: \$24,921,905.
