Brief Summary and Statement of Need:

Construct a fast vehicle ferry to service communities in Prince William Sound. This project is for the additional funding authorization required to acquire a second fast ferry which is contained as an option in a contract to purchase two fast ferries for the Alaska Marine Highway System (AMHS). Construction of this ferry will allow the AMHS to retire the inefficient and costly ferry "Bartlett" which is currently serving Valdez, Cordova and Whittier and is part of the Prince William Sound Regional Transportation Plan.
