Additional Information / Prior Funding History:

The Legislature included \$460.0 for the first year payment in the FY99 capital appropriation bill. Because of a balance in the FY99 appropriation, the FY2000 capital appropriation for the second annual payment was reduced to \$310.9. The FY2001, FY2002, and FY2003 capital appropriations for the third, fourth and fifth payments were \$387.8 each, the scheduled annual payment. The FY2004 request reflects the final scheduled payment amount. The total 6 year cost is \$2,321,974.
