**Brief Summary and Statement of Need:**

Two major projects are underway within the future Fairbanks Metropolitan Planning Area (FMATS). These projects will become part of the FMATS program in the future. The projects: Illinois/Barnette and Bridge, and University Avenue Widening. They are large dollar-wise and cannot be accommodated within the funding allocation. To transition the allocation and carry these projects forward, this transitional allocation is being made only for these two projects. It represents one-half of the value of the projects in 2004.
