**Brief Summary and Statement of Need:**

This is a federal earmark from the 2003 Federal Omnibus Appropriations Act. This project will upgrade Camp Gorsuch Road (0.7 mile) to a 2-lane gravel road with pullouts and parking areas, including drainage and safety improvements.

The project will provide improved access into the Rasmuson Boy Scout Reservation, Municipal Park land and Heritage Land Bank land. More than 7,000 children and adults use these areas year-round for skiing, horseback riding, fishing, day hikes, bird watching as well as scouting activities by the Boy Scouts of America. Upgrade of the road will alleviate erosion caused by traffic on the unimproved road and protect traffic from rolling into ravines paralleling the existing roadway.
