Brief Summary and Statement of Need:

This amendment adjusts federal funding by \$30,000. The Anchorage Metropolitan Planning Organization (MPO) must select Congestion Mitigation and Air Quality (CMAQ) projects that address air quality standards non-attainment. Since the Anchorage MPO has not completed its Transportation Improvement Program for 2004, these funds are shown as a block. This amount is in addition to the formula amount based on state regulation 17 AAC 05.155 allocated to combat air quality problems in Anchorage.
