

**Fairbanks International Airport: Preliminary Planning,
Scoping and Engineering Studies**

**FY2004 Request: \$500,100
Reference No: 38355**

AP/AL: Allocation

Project Type: Construction

Category: Transportation

Location: Fairbanks (Denali/University)

Contact: Kip Knudson

House District: Denali/University (HD 8)

Contact Phone: (907)269-0724

Estimated Project Dates: 07/01/2003 - 06/30/2008

Appropriation: Airport Improvement Program

Brief Summary and Statement of Need:

This project is anticipated to meet the planning, scoping, and preliminary engineering requirements to address a number to terminal facility functional, operational, and code compliance deficiencies.

While it is important to address known existing deficiencies, also included will be a more long term solution for the newly implemented Federal requirement for 100% inspection of checked baggage to better accommodate passenger and baggage flows. Existing terminal baggage handling systems we never designed to accommodate this substantial requirement.
