

Perryville: Airport Improvements

FY2005 Request: \$2,500,000

Reference No: 36271

AP/AL: Allocation

Project Type: Construction

Category: Transportation

Location: Perryville

Contact: Kip Knudson

House District: Bristol Bay/Aleutians (HD 37)

Contact Phone: (907)269-0724

Estimated Project Dates: 07/01/2004 - 06/30/2009

Appropriation: Airport Improvement Program

Brief Summary and Statement of Need:

Reconstruct the existing runway to meet current safety and dimensional standards. The project will include runway, safety area, apron, taxiway, and support area. Install runway lighting, build a snow removal equipment building and acquire snow removal equipment. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

FY2003 - \$250,000.

Project Description/Justification:

The runway, apron and taxiway do not meet state standards for a community class airport. The airport does not have a runway safety area and does not meet current dimensional standards for length and width. There are aircraft traffic conflicts with vehicles crossing the taxiway. Airport lighting will improve operations and safety during hours of limited visibility and darkness.
