One-Time Startup:	0	
<b>Totals:</b>	<b>0</b>	<b>0</b>

**Additional Information / Prior Funding History:**

FY2001 - \$1,200,000.

**Project Description/Justification:**

Complete the federally required Environmental Impact Statement and final report for the on-going master plan. Akutan does not have a land based airport which limits access and trade to this community. Current air access is by Grumman Goose seaplane which lands in salt water. Akutan has the largest seafood processing plant in Southwest Alaska.

Preliminary estimates for construction of the land-based airport is between \$65 million to \$94 million.
