<b>Totals:</b>	<b>0</b>	<b>0</b>

**Additional Information / Prior Funding History:**

None. Per the Department's new cost sharing policy, the community must provide the match for this project.

**Project Description/Justification:**

The current sewage lagoon is severely overloaded. Village Safe Water/Alaska Native Tribal Health Consortium have a project underway that will enlarge the existing lagoon. It will also include the construction of sludge drying beds at the landfill. The sludge will be hauled to the drying beds for incorporation into the landfill once dried. This road is needed to access the new sludge drying beds.
