Additional Information / Prior Funding History:

FY2003 - \$906,900.

Project Description/Justification:

Muldoon Road is a National Highway System facility with approximately 37,000 cars per day. Muldoon Road has developed in "strip commercial development" fashion, with residential properties in selected locations. The projects incorporates several improvements identified through the Muldoon Road Beautification Plan. This is the third and final phase of landscaping improvements to Muldoon Road.
