

Nunam Iqua: Sanitation Road

FY2006 Request: \$200,000
Reference No: 39373

AP/AL: Allocation

Project Type: Construction

Category: Transportation

Location: Nunam Iqua

Contact: John MacKinnon

House District: Bering Straits (HD 39)

Contact Phone: (907)465-6973

Estimated Project Dates: 07/01/2005 - 06/30/2010

Appropriation: Surface Transportation Program

Brief Summary and Statement of Need:

Construct a gravel road across Swan Lake for water and sewer improvements. The road will improve access and safe travel from one side of Swan Lake to the other. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

FY2005 - \$200,000; FY2004 - \$2,100,000.

Project Description/Justification:

Swan Lake is a body of water that is about 5 feet deep on average. This road would ensure a dependable source of water for the new water treatment plant and will be a major step towards upgrading the level of sanitation in the community. The town's infrastructure is currently split on either side of the lake and access is frequently blocked by flooding of the existing boardwalk during periods of high water. The present sewage lagoon near the school has sewage leaking directly into Swan Lake. This road will support water, sewer and electrical lines to be constructed by others.
