Additional Information / Prior Funding History:

FY2003 GARVEE Bond - \$1,480,000. Per the Department's new cost sharing policy, the community must provide the match for these funds.

Project Description/Justification:

Current road surface conditions on this portion of the Bethel core area road network are poor with rutting and potholes prevalent. The lack of surfacing material, along with inadequate road base stability, impede traffic flow and damage vehicles. The road is heavily used for both commercial and residential traffic.
