**Additional Information / Prior Funding History:**

FY2003 GARVEE Bonds - \$16,100,000. Per the department's new cost sharing policy, the community must provide at least half of the match for these funds.

**Project Description/Justification:**

This project is the first step in establishing full access control on the Richardson Highway between Laurance Avenue and Badger Road. It will also link a new residential area north of the highway with the City of North Pole. There is significant accident history on this stretch of highway, including fatalities. This project will eliminate the hazards associated with the current configuration.
