Estimated Project Dates: 07/01/2005 - 06/30/2010

Appropriation: Surface Transportation Program

Brief Summary and Statement of Need:

Provide a paved multi-use trail connection between the existing tunnel undercrossing at Ambassador Drive and the existing Chester Creek Trail paralleling Northern Lights Boulevard, continuing west to Goose Lake Park (approx. 2.3 miles in length). The project will also provide a multi-use paved trail spur connecting to UAA student housing and the main campus on Providence Drive. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.
