**Additional Information / Prior Funding History:**

FY2006 - \$1,000,000 Congressional Earmark SAFETEA-LU Earmark. Local match required.

**Project Description/Justification:**

A majority of the roads in Nome are unpaved. The community has seen significant population growth in the past decade, accompanied by a rapid growth in vehicle traffic. An undesirable aspect of this growth has exposed the residents of Nome to health problems related to particulate matter from the unpaved roads.
