

**Northern Region Snow Removal Equipment Building Upgrades**

**FY2007 Request: \$800,000**  
**Reference No: 41729**

**AP/AL:** Allocation

**Project Type:** Construction

**Category:** Transportation

**Location:** Statewide

**Contact:** John Torgerson

**House District:** Statewide (HD 1-40)

**Contact Phone:** (907)269-0727

**Estimated Project Dates:** 07/01/2006 - 06/30/2011

**Appropriation:** Airport Improvement Program

**Brief Summary and Statement of Need:**

Upgrade the Snow Removal Equipment Buildings' (SREB) dirt floors at Marshall, Shageluk, Elim, and St. Michael airports with concrete slabs. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

<b>Totals:</b>	<b>0</b>	<b>0</b>

**Additional Information / Prior Funding History:**

None.

**Project Description/Justification:**

The existing dirt floors have uneven work surfaces which affects safety in the workplace. There are environmental concerns due to possible seepage of industrial contaminants into the soil. New concrete floors would improve safety by providing even surfaces with more stable footing, improve environmental conditions and would handle heavier equipment and ease building maintenance by reducing mud and dust.
